Introduction

It is our pleasure to introduce our company **PETROENERGY YEMEN** to you, Since 2003 we have been operating by the name of our Pioneers, known as **Aishan Corporation** and are operating successfully as a construction contractor, oil and gas services provider, heavy equipment and vehicles rental and other different kinds of services in the oil & gas sector. The company is formed by prominent businessmen who are well familiar with the oil & gas requirements due to the long years of services which they served the pioneering company and not forgetting to mention the recruitment of highly qualified and experienced personnel. **PETROENERGY YEMEN** takes clients seriously and our target is to work hard to meet their expectations and even exceed their expectations.

Our Motto:

Strive to succeed.

Our Vision:

Is to exceed the other companies by providing better services safely and efficiently
To be the best service provider company in all sectors.

Our Mission:

To provide our services in the most professional manner and on time.
To work safely without suffering any loss time.
To create room for career development to our employees.

HSE

Health, Safety, Environment & Training

Our HSE policy along with the training programs that we perform go all to the well being of the work and the benefit of our client.

PETROENERGY YEMEN employs strict procedures and regulations regarding safety and environmental issues.

Our worker's awareness of these aspects is a key element to an environment-friendly operation, and to a work environment free of injuries and accidents. Therefore, continuous training programs are set up to ensure safe running of all activities of a given project and proper attitudes towards the environment.

		Mobile Crane (10 ton)
		Mobile Crane (25 ton)
		Mobile Crane (Above 25 ton)
		b. Boom Truck (Hi-up)
		Hi-up 3 ton
		Hi-up Above 3 ton
		c. Forklifts
		Forklifts 1 ton and Above
		d. Piping & Pipeline Lifting Equipment
Side boom - CAT 571		
2	Transport Equipment	a. Trailer
		Low bed trailer
		Hi-bed trailer
		b. Vehicles
		Toyota Diana truck (4 x 4) - Double Cabin
		Toyota Hilux 4-Door crew Pick up (4 x 4)
		Toyota land cruiser Station Wagon (4x4)
		Toyota land cruiser Pick up (4x4)
		Toyota bus (26 passengers)
		Ambulance
		c. Trucks -Services
		Fuel truck
		Water tank
		Vacuum Truck
		Dump truck
Service truck		
Concrete Mixer truck		
Fire truck		
3	Scaffolding & Light Plant Equipment	Scaffolding & Others
		Light plant (Gen. & Tower light)
		Scaffolding equipments
4	Heavy Equipments	Dozer
		Excavator
		Grader
		Roller compactor
		Wheel loader
		Backhoe

ITEM	EQUIPMENT DESCRIPTION	EQUIPMENT CAPACITY
5	Fabrication Facilities Workshop Tools	Electric Welding (200-300 amp) Sets
		Welding machine (400-500 amp) Electric Powered
		Welding machine (500 -600 amp)
		Pipe clamps (Various Size)
		Cutting/Beveling machine (12 to 24- inch)
		Cutting/Beveling machine (6 to 12- inch)
		Cutting/Beveling machine (2 to 6- inch)
		Punching machine
		Threading machine, pipe & bolt complete
		Drilling Machines
		Oxy/acety. Hoses with cutting Torches Set
		Tig welding machine
		Chain Block 3 ton, 5 ton, 10 ton.
		Fixed Big Electrodes Heater
		Moveable Electrodes Heaters
		Pipe Stand
		Air Compressor 750 CFM
Air Compressor 450 CFM		
6	Storage Facility	20ft Container w/shelves
		40ft Containers w/shelves
7	Camp Units	Senior Port cabins
		Senior Kitchen & Mess 20 Men
		Junior Kitchen
		120 Man Diner
		Laundry
		VIP Bungalows
		Office Units 2 Room
		12 Man Junior Accom. Units
Junior Toilet (6 x6)
